

All TIPPCO Coaches and Team Managers:

We are beginning the process of adding a shield logo to all of our existing **Blue** Jerseys. The Home White Jerseys will have logo's in the Fall. An example of the logo can be seen in the attachment to this email. Our goal is to have ALL Blue jerseys completed with the shield logo by **MARCH 26th** . . .

Here is the procedure:

- Each Team will collect ALL the BLUE Jerseys from their returning players (New Players will receive their Blue Jerseys with the logo on them)
- A Coach or Team Manager will take the BLUE Jerseys to the Soccer Shack, located at the corner of South St. and Earl Avenue
- The Soccer Shack will press the logo's on the BLUE Jerseys – this process is pretty fast and can be done while you wait (depending on the Soccer Shack's business volume) - Please allow about 10-15 minutes for the jerseys to cool before folding them.
- A Coach or Team Manager will redistribute the BLUE Jerseys to their team.
- Please send an email to me after this process has been completed for your team

If I have missed anyone on this email – Please forward this email to them. We have completed this process for one team and the BLUE Jerseys with the shield logo look very sharp – a great way to continue to grow our club!

If you have any questions, please let me know.
